

**Says**

What have we heard them say?  
What can we imagine them saying?

**Thinks**

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

If a self-build is not an option ,some simple renovations can make a huge different to a home

we all nurture images of the perfect home inspired by photos of dust free,professionally designed rooms in magazines.But when it comes to realizing those dreamed of spaces,the realities of life - possessions,money and time - often hinder us.

Dream Homes

It would be large with four rooms and should have a big living space.

Nothing might interest the young more than having a swing bed!It coulddouble up as a place to relax in the evening with a cup a tea.

**Does**

What behavior have we observed?  
What can we imagine them doing?

**Feels**

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?
